

Harrietta Hills Trout Farm is a family owned and operated fish farm nestled in Michigan's magnificent Manistee National Forest, near Harrietta, Michigan.

Our clear, cold water and natural surroundings combine to bring you the very best trout possible. We take pride in the quality of our fish.

Started in the 1950's, Harrietta Hills has grown into one of Michigan's premier trout farms. We specialize in the production of Rainbow Trout, with Brook Trout and Brown Trout available seasonally.

We have partnered with Superior Foods of Grand Rapids to process our trout in their world class, state of the art processing facility. This partnership brings you the freshest trout, processed and shipped in record time.

Expect the best!

Harrietta Hills Trout has naturally high levels of Omega-3 fatty acids, low in sodium and is a Natural Fast Food. Fast preparation and the fact that it's good for you make it the right choice for your healthy lifestyle.
