Rainbow & Steelhead Trout **Trout That Sets the Standard**

Fresh Canadian Trout

PRODUCT

Premium fresh Canadian rainbow and steelhead trout, responsibly raised and processed to the highest quality standards. Naturally rich in protein, vitamins, and minerals, they're versatile and easy to prepare for a variety of menu applications.

RESPONSIBILITY

Sustainability has been at the core of Cole Munro Trout Farms from the beginning—supporting local communities, protecting the environment, and promoting responsible, sustainable growth.

COLE MUNRO

PARTNERSHIP

Sourced from North America's leading steelhead producer, Cole Munro is a family-owned company whose values and commitment to quality align with Superior Foods and the Black Pearl brand.

PREMIUM QUALITY. EXCEPTIONAL TASTE.

Delicious & Nutritious

With a mild flavor, simple preparation, and an excellent source of omega-3s, omega-6s, vitamins, and minerals, trout is an easy choice for healthy family meals.

Low in sodium & Calories

Enjoy the best of both worlds with our trout: a lean, low-calorie protein packed with rich, delicious flavor.

No Dyes

No dyes, just nature. Our fish develop their vibrant pink color from astaxanthin, a powerful natural antioxidant.

Rich in vitamins, minerals, & Omega-3 / Omega-6

Fuel your body with nutrient-rich trout, providing 340% of the daily value of Vitamin B12, 30% of Vitamin D, and 62% of Selenium to support overall wellness.

Low in mercury

Quality you can trust—our trout consistently contain less than 0.01 ppm of mercury, significantly below regulated limits for safe consumption.
